

Kid's Contract

I understand that our new puppy will be hard work for its entire lifetime. I understand that it is a privilege that Mom and Dad have given us to care for this dog. I agree to cheerfully perform the care and training of this dog, including the responsibilities listed below, and the ones my parents assign later.

1. Practice sit, stay, come, and heel commands.
2. Play fetch and hide-and-seek.
3. Exercise my dog by walking _____ times a day.
4. Brushing _____ times a day, or _____ times a week.
5. Provide fresh water daily.
6. Feed on a regular schedule.
7. Clean ears regularly.
8. Scoop the poop!
9. Clean up messes.
10. Pay for items which I leave in puppy's area that get chewed up.
